Muvit made in paris crystal folio black case for galaxy s5 mini

The hybrid: the alliance of colour and transparency, in high quality polyurethane that has the appearance of imitation leather. This case was developed to promote the increasingly smart lines of the latest mobile phones. Created and made by a Parisian workshop.

Charm, elegance and attention to detail are the hallmarks of this collection. Indeed, special attention was paid to the choice of materials, textures, finishes and colors to capture the essence of parisian style and highlight the quality of french know-how.
